LANDSCAPE REQUESTS

If you have a landscape concern, request and/or inquiry, please contact Facilities Manager, Larissa Rounsaville at lrounsaville@keystonepacific.com or (949) 838-3293 so a work order may be submitted to Villa Park Landscape. If the work order is part of the maintenance service contract, all work will be done immediately. If the work order is above the inclusions of the maintenance service contract, work orders are reviewed at the monthly landscape meetings by the Landscape Committee, as well as, Villa Park Landscape. The landscape committee recommendations are discussed & approved by the Board of Directors at their monthly Board of Directors meetings which are held on the 2nd Wednesdays of the month. All approved proposals are completed within 2-3 weeks.

COMMON AREA WROUGHT IRON

So Cal Coatings, Inc. has been contracted by the Marina Hills Planned Community Association Board of Directors to conduct repairs to the rear stucco walls/columns and wrought iron behind the homes.

So Cal Coatings, Inc., as well as, Management will send notices to you, prior to your home being completed. To expedite and allow So Cal Coatings, Inc. to efficiently conduct repairs to the back walls & fences, please remove and/or trim foliage **at least two (2) feet away** from the back walls & fences. Additionally, please remove any wire mesh that is attached to the wrought iron so the contractor may repair & paint without obstruction. Once the wrought iron repairs are complete, if an owner re-attaches any **unapproved** wire mesh to the Association-maintained fencing, the owner may be called to a hearing before the Board of Directors and fines may be assessed to your account.

Additionally, any Wire Mesh attached to the common area Wrought Iron fencing must be plastic coated attached with plastic zip ties. There are two (2) different samples in the clubhouse office that are approved by the Association. Both samples can be purchased at Home Depot or Lowe's, and the sku #'s are 222-958 and 223-088. You may stop by the Clubhouse to view these samples, and the Clubhouse is open Daily from 9am-5pm. Thank you for your cooperation!

REAL ESTATE SIGNS

3. All "For Sale" and/or "Open House" signs used within the Association must be the pre-approved signs for the Marina Hills Planned Community Association that can be ordered by Owners from RESS Real Estates Signs & Supplies, located in Laguna Hills. Should a homeowner wish to use a "For Sale" and/or "Open House" sign, the Owner should contact RESS Real Estates Signs & Supplies and inform the designated representative that the Owner is a Member of the Association, in order to retrieve a pre-authorized Real Estate Sign. (Pre-Authorized "Open House" Directional Signs for Association Members can similarly be obtained through RESS Real Estate Signs & Supplies).

4. Open House Directional Signs must be used only during the Open House hours and must be removed following the Open House by sunset. Except as otherwise set forth herein, a maximum of two off-site Open House directional signs are allowed in the vicinity of a street intersection and one directly in front of the home. However, placement must be in such a manner so as to not present a safety hazard and/or not block visibility of any other real estate agent's signs. No alterations or additions to the signs will be allowed. All signs and sign placement must comply with the City of Laguna Niguel Municipal code.

LANDSCAPE PROGRESS REPORT FOR FEBRUARY

Maintenance Items:

- The slopes on Valle Vista, Mercato, Villamoura and Marina Hills Dr. were detailed.
- The common area planters on Amarante, Gaeta, and Chamonix were also trimmed and detailed as part of our Maintenance Rotation.
- The color was replaced in March.
- All the sidewalks and walkways were cleaned.
- There is no extra work pending at this time.

Tree Trimming:

- Villa Park Landscape is on a three 3-week schedule for work orders requesting tree trimming, and all requests are reviewed individually, not all trees are due to be trimmed. They trim trees only once per year and depending on the species, if tree trimming is requested more than once per year it will be an additional extra cost. Villa Park Landscape keeps track of the trimming requests and their completion dates. Work order numbers are assigned to each one of these requests by Management.
- Marina Hills “No Topping” Policy still in place.
- On Valle Vista Focal Corners and slopes: The Rhus Lancea and Eucalyptus trees were trimmed.
- At the Recreation Center; the Brazilian Pepper and Eucalyptus trees were trimmed.

Irrigation:

- The central system is working properly and communicating with all the satellite controllers on site and the system is online and working well with the new NSN app. System can be accessed from any location as long as internet is available.
- Three (3) Main Line leaks or breaks were repaired this month at the Killin cul-de-sac, Pienza fire access road, and 2 Pilos.
- Nine (9) irrigation controllers were inspected, cleaned and repaired as needed.
- No penalties were accrued this month; all the water meters are on allocation.

ARCHITECTURAL IMPROVEMENT PROCESS

All alterations, additions, or changes to the exterior structure or to the landscape of any lot, must be submitted for approval prior to ANY installation or commencement of construction or landscape work. If you are ready to paint your home, you will need to choose a paint color scheme from the pre-approved paint palette. You can view the color schemes in the paint binders in the onsite office or on the Association’s website at www.marinahills.org by clicking on Architectural Processes/Forms in the left hand column. Once received, the Architectural Committee has up to 45 days to approve or deny submitted plans. Once you receive approval from the committee, you may proceed with the work. Upon full completion of the project, a Notice of Completion form will need to be submitted to the Architectural Committee to ensure all improvements were done per plan. *If an owner fails to submit an application for exterior modifications, the Association may assess fines for violation of the Architectural Guidelines, and the exterior improvements may need to be brought back to their original condition, at the owner’s expense, until approval is obtained.*

You will need to submit your application and a refundable \$100.00 check, payable to Marina Hills and you can drop it off to Larissa onsite. Paint applications are reviewed by the Architectural Committee at their monthly meetings held on the last Wednesday of every month at 7:00 P.M. in the clubhouse.

POOL CLOSURE HOURS FOR ROUTINE MAINTENANCE OCTOBER—MAY

The pool area is being closed for routine maintenance from 10:00-11:00 A.M. Monday - Saturday during the Winter months, October through May. Please watch for the pool closed sign and do not enter the pool area during these days/times, as patrol will ask you to leave. Thank you for your cooperation!

POOL ETIQUETTE

Please be courteous when using the pool amenity. Recently, the HOA has had to replace damaged lane lines, umbrellas, etc. and these items can be very costly to the Association. Additionally, the HOA does their best to accommodate all swimmers (ie. Athletic or leisure), and therefore, the temperature is closely monitored at a range between 80-82 degrees which is in line with The Red Cross guidelines.

TENNIS COURT CLOSURE HOURS FOR ROUTINE MAINTENANCE

Tennis Courts #1-#3 will be closed for routine maintenance from 11:00-2:00 P.M on Mondays.

Tennis Courts #4-#6 will be closed from 11:00-2:00 P.M. on Wednesdays.

Please watch for the tennis court closed sign and do not enter the tennis courts during these days/times, as patrol will ask you to leave. Thank you for your cooperation!

PARKING REMINDER

Some homeowners have noticed that there are several vehicles parking on the streets within the community. These homeowners feel that not only is it unsightly, but it can be dangerous, as well, having vehicles parked on the street. Homeowners should be parking in their garage or on their driveway, instead of on the street. A vehicle is prohibited from parking or left standing upon any public street or highway in a residence district in the city any commercial vehicle, bus, motor truck, semi-trailer, or tractor trailer in excess of 80 inches (in width) or in excess of 25 feet (in length); or any item of farm machinery or special purpose machine. A vehicle is prohibited from parking or stopping longer than 72 consecutive hours upon any highway or street. (Moved is defined as moving a minimum of 100 ft. or 1/10th of a mile).

ONE OPEN POSITION ON ARCHITECTURAL COMMITTEE

We are searching for homeowners that would like to serve and fill one vacant seat on the Architectural Committee. It would be helpful if you have architectural or landscape design background. The Architectural Committee meets on the last Wednesday of every month at 7:00 p.m. in the clubhouse to review applications/plans. If you are interested in being considered for this position, please email Renee Barger at rbarger@keystonepacific.com and your request will be reviewed by the Board at an upcoming meeting. The Board will appoint one homeowner that they feel would be beneficial to the Architectural Committee.

TENANT REMINDER

If you are renting your property, please remind your tenants to be courteous of other residents in the community and to abide by the Association's Governing Documents. It is a good idea to give your tenants a hard copy of the Rules and Regulations. Remember, as an owner, you are ultimately responsible for your tenants and their actions.

APRIL 2020 REMINDERS

For after-hours association maintenance issues, please call 949-833-2600 to be connected with the emergency service line. Please call 9-1-1 for life-threatening emergencies.

Trash Pick-Up Days - Tuesday (small side) & Friday (large side). Please remove trash cans from the common areas after this day.

Board Meeting - April 8, 2020 at the Marina Hills Clubhouse at 6:00 PM.

SUBMIT A MAINTENANCE REQUEST!

Using your smart phone, please scan the QR Code to submit a maintenance request form. We look forward to serving you.

STREET LIGHTS OUT OR FLICKERING IN COMMUNITY

The Association does not maintain street lights. If you notice street lights out and/or flickering in the community, please get the number off of a metal plate on the light pole and call SDG&E at 858-654-1216 or 800-411-7343. The best way to report streets lights out is <https://www.sdge.com/business/reporting-street-light-outages>. If you see lights out in the park along Marina Hills Drive, please contact the City, as they maintain these lights.
