- * **There must be four (4) houses between each color (avoiding “like” colors next to each other).**
- * **Attached homes must submit a separate application at the same time using the same color scheme options. Homeowners are not permitted to paint their homes using custom colors and must pick a pre-approved paint color scheme.**
- * **Exterior stains or paints must be satin finish, not gloss or semi-gloss**
- * **At least two (2) colors from each scheme must be used on the home and visible from the street.**
